

Dear Parents,

Some children in our district depend on the school lunch and may struggle for food during this long break. The Bellbrook Sugarcreek Family Resource Center is here to help.

If you need food, clothing, or to consult with our social worker, please come visit us on Wednesdays from 10am-2pm. You can also email or call to schedule an appointment for another day or time. We can bring food out to your car if you would like to stay isolated. We will likely be open additional days over break so please [follow us on facebook](#) so you know when we are open.

If you would like to donate food or toiletries, we would greatly appreciate it. We are currently out of laundry detergent, dishwasher detergent, shampoo, conditioner, and cereal. We have enough green beans to last a lifetime. There is a donation box outside the front door of the Family Resource Center.

Please join [our email list](#) and follow us on [Facebook](#) so you can be alerted about volunteer opportunities, events, and community needs that arise. Thank you.

Wash your hands and stay healthy!

Sincerely,

Annie Pryor
Food Pantry Manager
