GCCC INFORMATION LETTER 2018/2019

June 11, 2018

Dear Parent or Guardian:

Here is important information regarding transportation for the 2019 FYS. Please submit a request and medical form in order for your student to ride the bus. The forms are on the Transportation Web site. Please be specific on AM and PM use. It can be to and from home or into the transfer point in front of **Bell Creek Intermediate School Gym**. Please provide this information by August 6th and a bus pass will be waiting for your student on the first day of bus service.

The first day of school is June 15, 2018 for GCCC and BSS so students may start riding the bus to and from their home bus stop. **All bus stops will be viewed on line only for each student and you must be registered to view (you will need your student's ID #).**

On days Bellbrook is not in session, we will NOT transport to and from the HOME BUS STOP. **We WILL provide transportation from BCI and back to BCI in the afternoon.** When Bellbrook has a 1 or 2 hour delay, busing will be provided **at that time** only to the GCCC. On the days we close due to inclement weather, no bus will be leaving the compound.

There will be days for BHS to perform a play or have a PEP Rally. We will provide early transportation to these events only. No bus will be provided at the regular dismissal time. Parents will be responsible for transportation if the student does not return to BHS at the early time.

Please e-mail me or call if you have any questions. Thank you and have a wonderful and safe summer.
