    - Directors are encouraged to record their groups.
    - Parents CAN facetime or livestream the event as long as they are not distracting, and they don't post on Social Media.
  - **Tickets:**
    - We will not be selling tickets at the door, so there will be no exchange of money. If there are extra tickets, spectators may buy them from the MEPA website, and then show us their confirmation.
    - Spectators will need to show their E ticket on their phone or a paper copy. We will need to verify that they have arrived for the correct Block.
    - Every Block will have a different color wristband.
  - **MISC:**
    - Nick Falzerano is creating the Virtual Program. Please see emails being sent out for prices and deadlines for submitting Ads and Shout Outs.

### **DIRECTOR'S REPORT**

**Monday, February 1, 2021**

**Page 1 of 2**

- 7th-12th grade students got to interact via zoom call with nationally known composer Randall Standridge on Friday. This was an AMAZING experience for all involved. They got to hear about his background, learn about how he composes music, and asked some great questions about what he does for a living! Each band 7-12 is playing or has played music by him this school year.
- Spring Concert Dates are tentatively set! Our current plan is to use the same livestream setup as our December concerts.
  - Wednesday, March 3rd: 6th Grade
  - Monday, March 8: HS Band
  - Tuesday, March 16: Choir
  - Thursday, March 25: 7th/8th Grade
- Thanks to all the moms and dads who participated in goodie bag delivery on Sunday! The kids were so excited to receive their packages! It was a great outreach for the program.
- Indoor Percussion has learned 2 movements of - "Moving Parts" with music inspired by the piano writing of Sergei Rachmaninoff. Their first performance is this Sunday, 2/7 at 10:09am at the MEPA Northmont Competition.
- Winter guard has pretty much learned their show, "The Nutcracker," and will be making a video recording this week for their first virtual evaluation.
- Winter Invitational is scheduled for Saturday, February 20th. Details are still in the works with the district and MEPA as far as what this event will look like. Here are some updates:
  - Limited seating/ticketing
  - Limited chaperone/pit dad passes
  - Shorter show days for students (we are not allowed to go back in and watch, and there will be no awards retreat at the conclusion)

- Tickets will be for a short “block” of a few groups. This will mean that spectators can watch up to a few groups before or after their group performs
- After each “block” of performances, the bleachers are cleared and new spectators are allowed in
- About 8 blocks, with 2-3 groups per block
- MEPA show dates have been announced and IPE shows are listed on the Bellbrook Music Department Google Calendar
- IPE and Winterguard will both be participating in WGI Virtual World Championships in late March/early April
- Marching Band Summer Schedule has been shared with 8th graders and will be shared with everyone this week
