HIGH SCHOOL HEADLINES

BHS COMMENCEMENT 2023

Congratulations to the Bellbrook High School Class of 2023! With joy and pride, we watched as 218 graduates received their hard-earned high school diplomas. This occasion marked the culmination of years of dedication, commitment, and perseverance for these exceptional individuals. Throughout their high school journey, the Class of 2023 overcame numerous challenges, in the classroom, in competition, in the community, and sometimes even within themselves. The adaptability, creativity, and resilience displayed by this class have been truly inspiring. They faced adversity head-on and thrived despite the uncertainties that life presented. The Class of 2023 demonstrated outstanding positivity and generosity and served as role models for our entire community. Now, as graduates, they are ready to embark on their individual paths. Some will pursue higher education by enrolling in universities, while others will proudly serve in the military. Additionally, many will enter the workforce, ready to make their mark in various professions. Whatever their chosen endeavors may be, we have no doubt that their futures will be bright. We extend our heartfelt congratulations to each and every graduate of the Class of 2023 and we wish them the best of luck in all their future endeavors. May they continue to embrace challenges with courage, pursue their passions with zeal, and make a positive impact wherever life takes them. They will always be a part of the Bellbrook High School family and we eagerly await the stories of their continued success.

Dear BHS Parents and Students,

It has been another great year at Bellbrook High School! Our students have made impressive growth in the classroom and have accomplished amazing things on the field of competition and in our community. Our students, led by the Class of 2023, have devoted countless hours to working in our local community and have made a positive impact. The faculty and staff of BHS have worked countless hours before and after school, during their planning periods, and on the weekend to ensure that our students have the ability to be successful in school and in the larger world. Thank you to all of our teachers, aides, counselors, our secretaries and nurses, custodians, kitchen staff, and bus drivers. The partnership between our schools, our students, and their families is what makes Bellbrook a special place to learn, work, and live. Have a safe and relaxing summer! —Mr. Hann

SENIOR YEARBOOK PICTURES

All senior photographs submitted for the yearbook must be taken by our contracted school photographer, Nicholas Studios. As we have done the past several years, Nicholas Studios will take pictures for the yearbook/composite this summer. On August 8 and August 9 from 9 am-12 pm and again from 1 pm-4 pm, Nicholas Studios will be in the high school library to take the yearbook/composite picture. Sitting fees must be paid at the time of this session. This will be a traditional head and shoulders portrait; please no t-shirts. Students may choose to visit other photographers for their complete senior portrait sessions; a yearbook/composite session is all that is necessary with Nicholas Studios. Please call (937) 848-6752 to schedule sittings during the summer months to take advantage of summer specials. The deadline to have a picture taken for the yearbook is December 31, 2023. Photos from sessions scheduled after this date will not be included in the senior section of the yearbook.

MUSIC DEPARTMENT NOTES

END OF YEAR HIGHLIGHTS

May was a busy month for the BHS music department, packed with exciting activities! Our bands and choir delivered outstanding end-of-the-year concerts and recognized the exceptional talents of our students. Congratulations to Eliana Bozzuto for the National School Choral Award, Natalie Rodenroth for the Louis Armstrong Jazz Award, and Connor Flanagan for the John Philip Sousa Award. We also commend Karin Peterson and Braeden Grissom for the Marines Semper Fidelis Award, Alex Van Scoy for the Kim Daum Spirit of Music Award, and Mason Kozee for the Kerry Bouffieux Memorial Award. Well done to all these deserving students

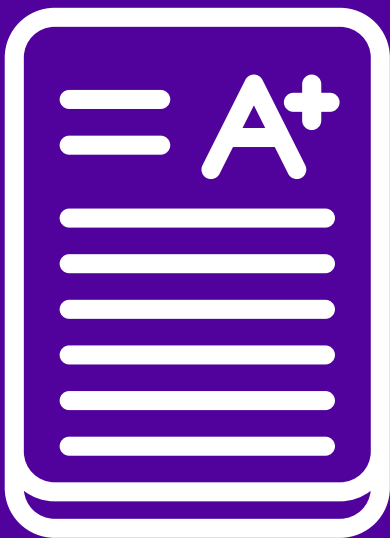

The jazz band had a captivating concert on the lawn and the marching band performed at the Sugar Maple Festival. Our fine arts seniors enjoyed an amazing four-day trip to New York City, immersing themselves in its vibrant arts scene.

The music and theater departments collaborated to present the spring musical Cinderella. It was a joyous experience to perform live theater again this year, and we congratulate everyone involved for their outstanding production.

The marching band kicked off the 2023 season with a successful icebreaker event, which had a great turnout and was a lot of fun! We are now looking forward to our fall production, "Press Play."

Stay tuned for more updates from the BHS music department. Let's continue making music and creating memorable experiences together!

NATIONAL CHAMPS!

The Drones team at Bellbrook High School has won the National Title for the second consecutive year. This time, the Hog Flyers emerged as champions, outperforming eight other high school teams at the national competition in Denver, Colorado. The Hog Flyers dominated the high school division, winning all the subcategories and the overall award. The team's success is attributed not only to flying skills but also to their extensive work behind the scenes. They build and modify their own drones, collaborate with sponsors for funding, and focus on design, engineering, and marketing aspects. The team participated in simulator races, virtual races, and live races throughout the season, ranking highly in each category. Mr. Lambright commended both the Hog Flyers and the Speed Demonz, the school's other drone team, for their accomplishments. The students' dedication and commitment turned them from rookies to national champions in a few months. The team is already planning for the upcoming season, with all members returning and aiming for further success in their senior year.
