HIGH SCHOOL HEADLINES

BHS COMMENCEMENT 2024

On May 18th, we watched with joy and pride, as 221 graduates received their high school diplomas on our home turf (literally). Throughout their high school journey, the Class of 2024 overcame numerous challenges—in the classroom, in competition, in the community, and sometimes even within themselves. Their adaptability, creativity, and resilience have been truly inspiring. Facing adversity head-on, they thrived despite life's uncertainties.

Now, as graduates, they are ready to embark on their individual paths. Some will pursue higher education at universities, while others will proudly serve in the military. Additionally, many will enter the workforce, ready to make their mark in various professions. Whatever their chosen endeavors may be, we have no doubt that their futures will be bright.

We extend our heartfelt congratulations to each and every graduate of the Class of 2024 and wish them the best of luck in all their future endeavors. As they embark on this new chapter, we know that they carry the hopes and dreams of a community that believes in them. The values they have cultivated at BHS will serve as a compass as they navigate the challenges and triumphs that lie ahead. We hope that they will embrace every experience, learn from every setback, and always strive to make a positive impact wherever they go. They will always be a part of the Bellbrook High School family, and we eagerly await the stories of their continued success.

Dear BHS Parents and Students,

It has been another great year at Bellbrook High School! Our students, led by the Class of 2024, have made impressive growth in the classroom and have accomplished amazing things on the field of competition and in our community. The faculty and staff of BHS have worked before and after school, during their planning periods, and on their weekends to ensure that our students have the ability to be successful in school and in the larger world. Thank you to all of our teachers, aides, counselors, our secretaries and nurses, custodians, kitchen staff, and bus drivers. The partnership between our schools, our students, and their families is what makes Bellbrook a special place to learn, work, and live. Have a safe and relaxing summer! —**Mr. Hann**

SENIOR TRANSCRIPTS

All senior final transcripts should be sent by June 2nd. If you need a transcript sent during the summer go to parchment and make a request, <https://www.parchment.com/u/registration/19511/account>. Seniors, please note that transcript requests in Parchment are free through the month of June, but you are considered a graduate after June 30 in Parchment and will be charged for any transcript request made on or after July 1, 2024.

IMPORTANT REMINDERS CONCERNING SCHEDULES

- Changes will only be made for errors in the scheduling system. If a student did not request enough courses or failed to complete the process, that is not considered an error. Those students were placed in available courses.
- You must be in 6 classes per semester at BHS unless you are doing CCP classes off campus. It doesn't matter if you are a senior and you only "need" a couple credits, you still must take 6 classes per semester.
- If you didn't make a request for at least 6 classes we added classes to your schedule to make you a full-time student.
- Thank you Mr. O'Dell for posting the video about athletic eligibility. To clear some things up, for athletic eligibility you must be passing 5 units. All of our classes at BHS except PE will count towards a full unit. CCP classes could count as 2 units if they are 3 semester hours or more. If you are not taking a CCP class then you still must be in 6 classes.
- The CCP-off campus in your schedule is just a placeholder. It doesn't mean you have multiple CCP classes. It just tells us that you are not in the building for that period. You must talk to Mrs. Scohy to adjust your BHS schedule after you have been accepted for CCP and registered for your classes.
- Any necessary changes must be completed before the school year begins on August 14th. We will not change classes after school starts.
- **NO changes will be made to accommodate teacher requests or to change course periods.**

SENIOR YEARBOOK PICTURES

All senior photographs submitted for the yearbook must be taken by our contracted school photographer, Nicholas Studios. As we have done the past several years, Nicholas Studios will take pictures for the yearbook/composite this summer. On August 6th and August 7th from 9 am-12 pm and again from 1 pm-4 pm, Nicholas Studios will be in the high school library to take the yearbook/composite picture. Sitting fees must be paid at the time of this session. This will be a traditional head and shoulders portrait; please no t-shirts. Students may choose to visit other photographers for their complete senior portrait sessions; a yearbook/composite session is all that is necessary with Nicholas Studios. Please call (937) 848-6752 to schedule sittings during the summer months to take advantage of summer specials. The deadline to have a picture taken for the yearbook is December 31, 2024. Photos from sessions scheduled after this date will not be included in the senior section of the yearbook.

MUSIC DEPARTMENT NOTES

BHS MUSIC DEPARTMENT'S BUSY MAY

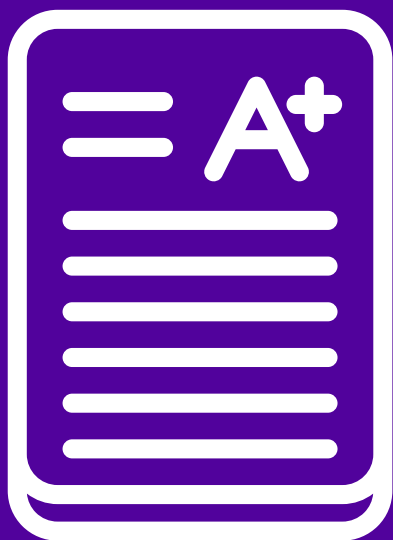

May was a busy month for the BHS music department, packed with exciting activities! Our bands and choir delivered outstanding end-of-the-year concerts and recognized the exceptional talents of our students. Congratulations to Natalia Hairston, recipient of the National School Choral Award, Micah Sanders-Johnson, recipient of the Louis Armstrong Jazz Award, and August Aiello, recipient of the John Philip Sousa Award. Annaleese Theodor was also honored with the Marines Semper Fidelis Award, Moon Beidelschies for the Kim Daum Spirit of Music Award, and Sophia Falzerano for the Kerry Bouffieux Memorial Award. Well done to all these deserving students! The 2024 fine arts senior class will be missed!

The jazz band had an awesome final concert and the marching band performed at the Sugar Maple Festival along with the 8th grade band. Our fine arts seniors enjoyed an amazing four-day trip to New York City, immersing themselves in its vibrant arts scene.

The music and theater departments collaborated to present the spring musical, *The Little Mermaid*. We enjoyed 4 fabulous performances and had such a great time! Congratulations to all involved for this outstanding production.

The marching band kicked off the 2024 season with a successful icebreaker event, which had a great turnout and was a lot of fun! We are now looking forward to our fall production, "Edward," based on the story and some of the music from *Edward Scissorhands*. Stay tuned for more updates from the BHS music department. Let's continue making music and creating memorable experiences together!

3-PEAT: BHS Drone Teams Shine at National Championships

Congratulations to the BHS Drone teams, led by Mr. Dave Lambright, for their outstanding performance at the Drones in School National Championships in San Diego! Three BHS teams earned invites to the competition, where the Hog Flyers soared to victory, claiming their second consecutive national championship and third in a row for BHS. Full Throttle secured a well-deserved second place, and Speed Demonz impressed with a solid 6th place finish. BHS Drones' consistent success over the past three years certainly qualifies them as a dynasty!
