Welcome!

On behalf of the Bellbrook High School faculty, we extend a warm welcome to another exciting year at BHS. With each new school year comes the promise of fresh experiences, friendships, and academic growth. As a nationally recognized institution for academic excellence, BHS is committed to guiding our students to "Soar to New Heights" by upholding high standards in personal, artistic, athletic, and academic endeavors.

In our effort to foster a safe and conducive learning environment for students, faculty, parents, and guests, the Board of Education annually releases an updated Student/Parent Handbook. This handbook outlines students' rights, responsibilities, and behavioral expectations. We encourage everyone to take the time to review and familiarize themselves with its contents. We anticipate that students and staff will treat others with respect, actively engage in school activities, and take accountability for their actions.

Should you have any questions or concerns throughout the year, please don't hesitate to reach out to the school. Let's work together to make this school year an exceptional one!

Mr. Hann

Mrs. Lasota

Mr. Limon

PLEASE NOTE: School rules published in this handbook are subject to such changes as may be needed to insure continued compliance with federal, state or local regulations and are subject to such review and alteration as becomes necessary for the routine operation of the school. Not all rules of behavior can be written and inserted in a guidebook; however, we expect students to follow reasonable rules and not violate the rights of others.

ABOVE-BEYOND-TOGETHER

ATTENDANCE POLICIES

Regular daily class attendance and punctuality are necessary in order for the learning process to be effective. Studies show that students who miss school frequently experience great difficulty in achieving the maximum benefits of instruction. We are aware that there are occasions when a student cannot be present and thus may miss an essential learning experience. All children between ages six (6) and eighteen (18) are of compulsory school age and must attend school. It is the responsibility of the parent/guardian to cause the child to attend school. **(ORC 3321.03)**

ABSENCE FROM SCHOOL PROCEDURES

Parents or guardians **MUST** phone the school before or within one hour of the school day start time to report student absences. After that time period, a phone call will be made to a parent/guardian. In the event that phone contact is not made, a signed note from a parent or guardian explaining the reason for the absence **MUST** be submitted on the student's return to school. Students will have 5 days after their absence to bring in a note if they have not been called in, after that, the absence is considered unexcused.

ABSENCE CATEGORIES

Medically Excused:

1. Personal illness, doctor or dental appointments with a written statement from a physician: Such absences are for the actual time necessary to complete the appointment and are not to be considered a reason to be absent for a whole day.
2. A medically excused absence requires a doctor's note listing all dates missed. Medical notes must be provided within 5 days of a student's return to school.

All absences, except those excused by a doctors note, will accumulate toward the 65-hour threshold:

Parent Excused:

Student is absent from school with parents' knowledge and the reason is deemed valid under the law. Students, parents and guardians should understand that absences may only be excused based on the definitions established by the State of Ohio. Phoning the school or sending a note does not automatically excuse an absence. The following are **VALID** reasons for absence from school. **All absences, except those excused by a doctors note, will accumulate towards the 65-hour threshold:**

1. Personal illness (a written physician's note verifying the illness may be required) On excessive absences, a letter may be sent to the parent. A doctor's statement may be needed for any future absence. Continued absences may result in a referral to juvenile court or further consequences.
2. Family illness necessitating presence of child: Instances will be discussed and determined by the attendance office.
3. Quarantine of home
4. Death in the family: Absence is limited to three days unless reasonable cause can be shown for an extension.
5. Work at home necessitated by absence or incapacity of parent or guardian
6. Observation or celebration of a bona fide religious holiday: A student may be excused for the purpose of observing a religious holiday, provided it is required by their religion. If observance of such a holiday requires only attendance at a religious service, the student should attend such service before or after school if possible.
7. Out of state travel (up to 24 hours) for a district approved extra-curricular activity
8. Medical or dental appointments
9. Medically necessary leave for pregnant student
10. Service as a precinct officer at a primary, special, or general election with principal approval
11. Travel with Parents/Guardians: Please see Vacation Policy.
12. College Visit: See College Visits

13. Subpoena to court: Documentation from court is necessary for the absence to be excused. The absence is excused for only the time required to be in court.
14. Emergency or set of circumstances which in the judgment of the administration constitutes a good and sufficient cause of absence.

Students will have 5 days after their absence to bring in a note if they have not been called in, after that, the absence is considered unexcused.

Unexcused: Student is absent from school with parents' knowledge, but for a reason deemed to be unacceptable under the law. **All unexcused absences will accumulate towards the 65-hour threshold:**

EXAMPLES OF UNEXCUSED ABSENCES

1. Overslept (child or family member)
2. Missed the bus or running late
3. Car trouble
4. Student refusal
5. Personal or appointment (without further clarification)
6. Driving lessons

Truant: Student is absent from school and/or any part of class without parents' and/or school official's knowledge or permission. The student may not be permitted to makeup work for unexcused absences and disciplinary action may be taken. Continual school truancy may be filed with the Juvenile court.

ABSENCE FROM SCHOOL PROCEDURES

Parents or guardians **MUST** phone the school before or within one hour of the school day start time to report student absences. After that time period, a phone call will be made to a parent/guardian. In the event that phone contact is not made, a signed note from a parent or guardian explaining the reason for the absence **MUST** be submitted on the student's return to school. Students who return to school without a phone call or note will be considered truant unless an excuse is provided from a parent/guardian within 24 hours of their return to school.

ATTENDANCE PRIOR TO A SCHOOL FUNCTION

Students, unless excused by the administration in advance, must be in attendance the three-fourths of the day in order to attend dances or any other scheduled school event. Lunch does not count as a class period. See Extra/Co-Curricular Code of Conduct for attendance requirements for participation in athletic contests, musical contests and performances.

65-HOUR POLICY

A student can have up to 65 hours of absences, including tardies, excused by a parent note or phone call each school year. *Absences excused by a doctor's note are not included in this total.* Medical notes are required for every absence after 65 hours of absence regardless of whether those 65 hours are excused, unexcused, or a combination of both. The physician's written excuse or court documentation must be received within Five days of the absence. Again, physician's excuses may only excuse absences or tardies to school for the specific date(s) the student was under direct medical care.

Excused Absences by Parent: A student can have up to 65 hours of absences, including tardies, excused by a parent note or phone call each school year. This does not include absences excused with a "medical note"

Medical Notes Requirement: After a student reaches 65 hours of absences, a medical note will be required for any additional absences. This applies regardless of whether the initial 65 hours were excused, unexcused, or a mix of both. A

physician's written excuse or court documentation must be submitted within five days of the absence. A physician's note can only excuse absences or tardies for the specific dates when the student was under direct medical care.

TRUANCY AS DEFINED BY HOUSE BILL 410

Habitual Truancy is defined as follows and includes "Excessive Absences":

30 or more consecutive hours without a legitimate excuse

42 or more hours in one school month (30-day period) without a legitimate excuse

72 or more hours in one school year without a legitimate excuse

Absences excused by a doctor's note are not included in this total

Excessive Absences:

38 or more hours in one school month (30-day period) with or without legitimate excuse

65 or more hours in one school year with or without legitimate excuse.

Absences excused by a doctor's note are not included in this total

PROCEDURES FOR EXCESSIVE ABSENCES

1. The district will notify the student's parents in writing within seven (7) days of the triggering absence. 2. All absences excluding medical absences after the 65 hours will count toward habitual truancy.

PROCEDURES FOR HABITUAL TRUANCY

1. Within seven (7) days of the triggering absence, the school will do the following: a. Make three (3) meaningful attempts to secure the student's parent/guardian's participation on the absence intervention team (mail Parent Invitation and complete "Attempts to Contact Parent" page); b. Select members of the absence intervention team.
2. Within ten (10) days of the triggering absence, the student will be assigned to the absence intervention team;
3. Within fourteen (14) days after the assignment of the team, the district will develop the student's absence intervention plan;
4. If the student does not make progress on the plan within 61 days OR continues to be absent without legitimate excuse while the absence intervention plan is in effect, the district will file a complaint in Juvenile Court. Membership of the Attendance Intervention Team (AIT) shall be as follows: a. A representative from the school or district. b. An additional representative from the school/district who has a relationship with the student. c. The student's parent/guardian. d. The student.

TARDY POLICY

For every third and succeeding unexcused tardy in a quarter to school and/or class a student will be assigned to serve one after-school detention. Tardy accumulation will start over each quarter. A detention will be issued for each tardy received after the third tardy in the same class. Detentions for tardiness will NOT be included in the accumulation of detentions. Time missed due to tardiness will accumulate toward the 65-hour threshold.

ATTENDANCE PRIOR TO A SCHOOL FUNCTION

Students, unless given special permission in writing by the administration in advance, must be in attendance the three-fourths of the day in order to attend dances or any other scheduled school event. Lunch does not count as a class period. See Extra/Co-Curricular Code of Conduct for attendance requirements for participation in athletic contests, musical contests and performances.

MAKE-UP WORK

Students are responsible for making up class work missed due to any absence. As a general rule, a student will receive one day per each day of excused absence to make up missed work. Additional days may be granted upon administrative approval. Students may not receive credit for work missed due to the following reasons: 1. Truancy 2. Skipping class 3. Misuse of hall passes. 4. Any unexcused absence.

COLLEGE VISITS

Student visits to colleges for the purpose of determining post-high school academic paths are counted as an excused absence as long as the following conditions are met:

1. A parent note is presented to the office in advance of the absence.
2. A letter of verification on university or college letterhead clearly identifying the name of the college official and the date or dates of visitation must be presented to the office upon returning to school.

Please note: **Absences for college visits will count toward the 65-hour threshold and for consideration for exam exemptions. Students who are close to these limits should be careful that absences due to college visits do not push them over their limit.*

FAMILY VACATION/LEAVE REQUEST POLICY

1. Please email the administration at least one week prior to the days of absence.
2. Vacation requests shall not be granted to students who have accumulated 65 hours or more of absence and all absences due to vacation or family leave will accumulate towards the 65-hour threshold.

Please note: **Absences for family vacations will count toward the 65-hour threshold and for consideration for exam exemptions. Students who are close to these limits should be careful that absences due to vacations do not push them over their limit.*

EXTENDED ABSENCE/HOME TUTORING

This service is provided for all students who will be out of school for an extended period of time due to illness verified by a doctor. The student's guidance counselor facilitates home tutoring.

EARLY DISMISSAL PROCEDURES

Each time a child leaves school, he/she is missing vital teaching and learning time. All early dismissals will accumulate toward the 65-hour threshold. If it is necessary for a child to leave school early:

A verifiable note from the parent/guardian must be delivered to the main office on the day the student is to be dismissed early. Parents/guardians must sign out their student in the main office.

LATE ENTRY/EARLY RELEASE

Juniors/Seniors who are in good standing at Bellbrook High School may be granted a Late Entry or Early Release privilege. The Late Entry and Early Release option is a privilege for junior/senior students only. Students must remain in good standing in the following areas: academic, attendance, and behavior to maintain this privilege. Students may not have any F's, must be on track to graduate, must have a minimum grade point average of 1.75 in the previous nine weeks grading period and maintain good attendance to school.

Late Entry

Late Entry is for juniors/seniors who have a study hall 1st period. Students with this privilege will begin their school day at the start of 2nd period. Students with late entry cannot enter the building prior to 10 minutes before their first class.

Early Release

Early Release is for students who have a study hall 8th period. Juniors/Seniors with this privilege will end their day at the end of 7th period. Early release students must leave within 10 minutes of their last class. Failure to do so may result in loss of Late Entry/Early Release privileges. Students who are granted Early Release must leave school property immediately after signing out and may not return to school property prior to 3:30 p.m.

Bellbrook-Sugarcreek Schools will not provide transportation for students granted Late Entry/Early Release. Students with Late Entry/Early Release are required to sign in and/or sign out at the main office each day.

The administration maintains the right to revoke this privilege temporarily or permanently at any time for failure to meet any of the criteria listed above or for any violation of the rules, regulations, and Code of Conduct for Bellbrook High School. Students whose privileges are revoked will be placed in a study hall.

EXAMS

Exams will be administered at the conclusion of each semester. Exams will be worth 20% of the grade for the semester. A schedule will be provided for students prior to the administering of the tests. Each semester, all students will be awarded one exam exemption that they may use in a single class where they have earned an "A" or "A+" in each quarter of the semester. **No "A-" in any quarter in a semester.** Students may not exempt the same exam both semesters. *Students may not use an exam exemption in an AP class 1st semester.* Students are expected to take their exams on the day and during the period that the exam is scheduled. Exam exemptions apply to BHS courses only, not College Credit Plus courses.

Students will lose the privilege of their exam exemptions under the following conditions:

- A student receives office discipline of: 3+ detentions, a Saturday School, in-school studies, or out-of-school suspension during the semester.
- A student has reached the threshold of Excessively Absent or Habitually truant.

Semester 2 Exams

At the end of the 2nd semester, AP teachers may allow students to exempt the final exam if they have taken the AP exam for that course.

At the end of the 2nd semester, departments may permit students currently taking Algebra I, Geometry, and ELA 2, to exempt their final exam in those respective courses due to extended standardized testing (including MAP, Benchmark Testing, and state end of course testing). This is in addition to their one exam exemption. **Students who fail the 3rd or 4th quarter in one of these classes are required to take and pass the final exam in order to earn credit.** A student may choose to take an exam in a class to improve their grade.

2nd Semester Seniors who earn an "B+" or higher third quarter and earn an "B+" or higher fourth quarter, will be eligible to exempt any final exams for which they meet exemption guidelines.

COLLEGE CREDIT PLUS

College Credit Plus is designed to help students earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to students in grades 7-12 who meet college admission requirements. As required by law, Bellbrook Sugarcreek Schools will bear all tuition costs for classes taken through public universities. Students choosing to enroll in a participating private college or university may incur limited costs. Courses must be taken during the BHS academic year. No more than seven high school credits may be accepted in one academic year. Eligible students may need a qualifying college entrance exam score that places them in courses ABOVE a remediation level to participate. Any remedial college course is the financial responsibility of the student. Any CCP course that is dropped or failed becomes the financial responsibility of the student.

CREDIT FLEXIBILITY

Credit Flexibility applies to any alternative coursework, custom learning activity, assessment and/or performance that demonstrate proficiency qualified to be awarded equivalent credit toward graduation as applied for and approved in advance by the district per board policy. Any interested student must submit a Credit Flexibility Plan Proposal for consideration by the Credit Flexibility Committee. Contact the guidance office for information regarding this option.

SUMMER SCHOOL/CREDIT RECOVERY

A limited number of summer school courses may be offered at BHS. Students may attend other school districts' summer school for remediation credit only with the prior written approval of an administrator. Summer school tuition and transportation are the responsibility of the students/parents. A student’s summer school is subject to administrative review.

You will be given an appointment with the appropriate person to answer any questions and to review the requested student records.

Parents and adult students have the right to amend a student record when they believe that any of the information contained in the record is inaccurate, misleading or violates the student's privacy. A parent or adult student must request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of his/her right to a hearing on the matter

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, their parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. DRIVING/PARKING (STUDENT)

Driving to school is a privilege, which can be denied if the driver does not assume proper responsibility. Students must submit a parking application form and parking fee to receive a permit to park on school grounds. Students who do not comply with driving/parking regulations may be disciplined, forfeit their parking fee/pass and have their vehicle towed, at their expense, from the school grounds. Once a student parks their vehicle in the parking lot, they must leave their vehicle. Students are not to be in their vehicle at any time except when coming to or leaving school. Vehicles parked on school grounds may be searched. It is highly recommended that vehicles remain locked at all times.

Parking permits

[Parking Permit Application forms](#) will be available online and in the HS office. Applications must be signed by the student and parent. Students will only be issued one (1) permit for the school year. If the parking permit is lost or stolen, students will be required to purchase another permit (\$5). The permit can be used only by the student to whom it is issued. Parking permits must be displayed prominently and must be visible through the front windshield of the vehicle. Permits may be revoked if not properly displayed. Parking permits are \$50 per year for all locations. Payment must be received before a permit will be issued. There is no other student parking available or allowed on school property.

Parking/Driving regulations

Driving to Bellbrook High School is a privilege which can be denied if proper responsibility is not assumed by the driver.

- Students are not permitted to drive behind the school building at any time. Violations of this rule WILL result in the loss of parking permit and additional discipline.
- Student parking is by permit only. Parking spaces will be assigned. Students are expected to park within designated lines of parking spaces. Do not occupy more than one space.
- Vehicles must be parked and locked upon arrival at school.
- Students are not permitted to loiter in vehicles, or parking lots, before, during, or after school.
- Students are not permitted to return to their vehicles during the day unless they have a pass from an administrator.
- Students should not leave anything valuable in their vehicles. The school is not responsible for the theft of or damage to personal property in the parking lot.
- Students are expected to drive safely and courteously and follow all state and local driving regulations. Cars should not exceed 10 mph in the parking lots. Students must wear seatbelts when operating a vehicle or riding as a passenger. The student issued the permit is responsible for the safety and conduct of their passengers. Unsafe operation of a vehicle WILL result in the loss of parking permit.

- Students may not have, in any vehicle parked on school property, any alcohol, drugs, tobacco products, weapons, knives, or other items which students are prohibited from having on school property.
- Vehicles are subject to search by school officials at any time.

Revocation of Parking Permit

Students who do not comply with driving/parking regulations will be subject to disciplinary action, including, but not limited to, revocation of their parking permit, and may have their vehicle immobilized (booted) or towed at owner's expense. Permits may be revoked if the car is used to violate school rules (i.e. leaving school property during the school day). No warnings will be issued. Driving to school is a privilege. There is no appeal if your permit is suspended or revoked.

ELEVATORS

The elevator is "off limits" to the student body. These are for the physically handicapped or injured students, or for moving equipment. Students must have approval for use of the elevator.

EMERGENCY CLOSING OR DELAYS

Emergency closings or delays are reported to Dayton area radio and television stations as soon as possible (listed as Bellbrook/Sugarcreek Schools). Families SHOULD also sign up to be notified via the [REMIND app](#). In the event of a delay, students are not to arrive at school before the delayed starting time. Generally, no one is available to answer the school phone during closings or delays.

ENROLLMENT/WITHDRAWAL PROCEDURES

ENROLLMENT

New students under the age of 18 must be enrolled by their parent or legal guardian. To register a new student, parents should view procedures on the district website. When enrolling, parents must provide copies of the following:

- court papers allocating parental rights and responsibilities, or custody (if appropriate)
- proof of residency
- proof of immunizations (see page 30 for more information)

Students enrolling from another school must have an official transcript from their previous school in order to have credits transferred. The building guidance counselor will assist in obtaining the transcript, if not presented at the time of enrollment.

Homeless students who meet the Federal definition of homeless may enroll and will be under the District Liaison Homeless Children with regard to enrollment procedures.

A student suspended or expelled by another public school in Ohio may be temporarily denied admission to the District's schools during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the District. Likewise, a student expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired may be temporarily denied admission to the District's schools during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

FOREIGN EXCHANGE STUDENTS

In accordance with U.S. Immigration & Naturalization laws, all foreign exchange students with F-1 visas must pay tuition to attend public school in the United States. A limited number of foreign exchange students (2), based on enrollment, may be accepted at BHS per school year. Preference will be given to applicants: 1) with English reading, writing and speaking proficiency and 2) whose host family have students currently enrolled at BHS. No student will be accepted nor enrolled without a complete transcript and proper enrollment documents. Applicants must be of appropriate high school age and not have graduated prior to attending BHS. Only students who meet BHS graduation requirements are eligible to receive a BHS Diploma.

CHANGES OF ADDRESS

All changes of enrollment information must be reported to the school office immediately and changed in [Final Forms](#). This includes, but is not limited to: name, address, phone, email address, health status, emergency contacts, guardianship, and custody or other court orders. Failure to do so may result in withdrawal procedures.

WITHDRAWAL/TRANSFER FROM SCHOOL

No student under the age of eighteen (18) is allowed to withdraw from school without the written consent of their parents and in compliance with State law. A student who otherwise withdraws from school shall be reported to the juvenile judge of the county and to the Bureau of Motor Vehicles for suspension of their driver's license, if they are under the age of 18. All outstanding school fees must be paid before records are released.

EXTRACURRICULAR ACADEMIC ELIGIBILITY

Eligibility requirements for participating in athletic programs must conform with, but may exceed, regulations of the Ohio High School Athletic Association (OHSAA). They will include the requirements that a student have the written permission of their parent or guardian and shall have been determined as physically fit for the sport or activity by a licensed physician. A physical form must be on file prior to the student trying out or practicing for a sport. The physical must have taken place within one calendar year. **All Bellbrook-Sugarcreek secondary school students, including those with an IEP, are subject to this policy.**

Criteria for eligibility in grades 7-12 includes:

Students with a 1.5 or above and below a 2.0 GPA from the previous quarter may participate on probation but must attend a twice-weekly study table as scheduled by the athletic/counseling department. The duration of the attendance at the study table will be for the entire quarter of participation. At the end of the probationary quarter, the student will return to full eligibility status with a 2.0 GPA. Students will not be eligible for a probationary quarter if they were on probation or ineligible the previous quarter.

Students will be eligible if they pass five (5) 1 credit classes in a quarter and have met the GPA requirements.

- D. Other high school or middle school student activities which may involve competitive events with other schools' students

EXTRACURRICULAR and CO-CURRICULAR CODE OF CONDUCT

Co-curricular and extracurricular activities are a valuable part of the total program at Bellbrook High School and Bellbrook Middle School. It is a privilege to participate in student co/extra-curricular activities and is not a right according to the law. Since it is a privilege and participation is voluntary for these activities, the student makes a choice to be a positive role model for other students as well as an appropriate representative of the school system. Thus, the student will have higher expectations than those of the remaining student body. This representation of the school district carries with it the additional responsibility of maintaining the highest personal and ethical conduct. Co/extra-curricular participants include but are not limited to, athletics, cheerleading, band, winter guard, national honor society, drama, and clubs.

Students who participate in co-curricular and extracurricular programs at Bellbrook High School and Bellbrook Middle School will receive a copy of the entire policy when their season or activity begins. Students who fail to sign for and abide by policy that requires them to refrain from using alcohol, drugs, or tobacco will not be permitted to participate. This policy governs student use of these illegal substances on and off of school grounds 365 days a year.

Parents/Guardians are encouraged to review the Co-Curricular and Extracurricular Code of Conduct with their son/daughter to prevent a violation. Violation of the Code of Conduct will result in the student losing their eligibility to participate.

The following Code of Conduct governs all students participating in co/extra-curricular activities during the entire year (365 days) and is in effect at any time, whether or not the activity is currently taking place or is in season, and any place, on or off school property. Violation of the following code of conduct will result in the student being ineligible for any co/extra-curricular activity as set forth below under the heading "Consequences of Infractions to the Code."

- Use or possession of alcoholic beverages, tobacco products, or illegal drugs is expressly forbidden. Anyone who aids or abets another in committing an infraction concerning alcoholic beverages, tobacco products, or illegal drugs, will be treated as though they had violated the first sentence of this paragraph.
- A student should conduct themselves both in and out of school in a manner that reflects good citizenship. Any behavior that results in dishonor to the student, their event or team, or school will not be tolerated. Acts of unacceptable conduct include, but are not limited to, theft, vandalism, disrespect, and violation of laws (excluding traffic violations).
- A student under a disciplinary out-of-school suspension, expulsion or exclusion, will not be eligible to participate and/or attend (in any manner) any co/extra-curricular activities during the suspension, expulsion, or exclusion. The administration reserves the right to levy disciplinary action on any measures of misconduct not mentioned specifically in the above rules.

GENERAL CODE GUIDELINES

- All students, grades 6-12 involved in co/extra-curricular activities, will be considered "participants" and bound by the Code of Conduct. No student shall be allowed to participate in any school activity (ex. game, match, contest) with a group/team until the Code of Conduct has been signed by the parent/guardian and the student and returned to the coach/advisor. Code of Conduct violations are accumulated at the middle school level (grades 6-8) and again during high school (grades 9-12). Middle school accumulation ends and high school accumulation begins with promotion from the eighth grade. Consequences earned during middle school (8th grade) will be carried over to the beginning of high school (9th grade) until all requirements have been fulfilled.
- Student-athletes are expected to be in attendance a minimum of three-fourths of the regular school day to be eligible to practice or participate in a contest that day (6/8 periods, 3/4 block periods). Student-athletes who have already exceeded the threshold for excessive absence and/or habitual truancy, and are absent for one-fourth of the regular school day, or less, must produce official documentation to be eligible to practice or participate in a contest that day. Any exceptions to this rule require the permission of the building principal or the student activities director.

- With prior approval by the building principal or the student activities director, as may be appropriate, additional standards and rules may be established in writing by the activity advisor or coach and become effective when given to each participant. The standards or rules shall be a part of the Code of Conduct for that activity.
- All students involved in co/extra-curricular activities must meet all grade requirements as mandated by the Bellbrook-Sugarcreek Local Board of Education and by the OHSAA, if applicable, to the activity. Failure to meet grade requirements shall not be an infraction of the Code of Conduct but shall result in suspension of participating in the activity until grade requirements are met and OHSAA rules, if applicable, have been followed.

INFRACTION AND REINSTATEMENT PROCEDURE

An allegation of an infraction of this Code of Conduct may be referred to the Student Activities Director or Building Administrator by any of the following:

- Any principal or other school district employee (i.e. teacher, teacher aide, secretary, coach, custodian, bus driver, maintenance personnel, security personnel) adult chaperone, any student, or other advisor regarding an infraction during the school day, on school grounds, or during school-related activities; or
- Any principal, faculty member or advisor/coach or any law enforcement officer or agency at any time. Local law enforcement agencies may share information with school officials, when applicable, in an effort to promote a lifestyle among students that is tobacco, alcohol, and other drug free. Criminal conviction is not a requirement for enforcement of the Code of Conduct.

If it is determined that an infraction has occurred, the participant, the participant's parents/guardians, and the participant's coaches/advisors will be notified. The Co/extra-curricular Code of Conduct is in addition to any other policy, rule, or regulation of Bellbrook-Sugarcreek Schools. Violations of the Student Code of Conduct that result in suspension from school may also affect extra/co-curricular participation.

To be eligible for reinstatement after an infraction, the student must have complied with the reinstatement requirements noted under the appropriate offense. A written request for probationary reinstatement should be directed to the student activities director or building administrator. The reinstatement decisions will be made by the building administration and the decision will be final.

Any reinstatement is probationary and can be rescinded at any time. The reinstatement will be revoked if the student does not make timely progress toward completing any remaining requirements for probationary reinstatement or for any action considered derogatory to the school system, its students, employees and/or programs. Revocation shall be at the sole discretion of the building administrator and the decision will be final.

SELF REFERRAL PROCESS

Students, peers, parents, or other adults sometimes come to the realization that the use of alcohol, tobacco, and other drugs is affecting them and/or a student and may seek help for assistance. Student participants may self-refer/refer one time if they have no prior violations of the code, do not have police documentation of an incident, and no school investigation has been initiated. Students will be considered referred for assistance if the participant approaches a coach, athletic director, administrator, or counselor and voluntarily seeks assistance. Parent(s)/guardians may refer their own students. Those referrals will be treated as self-referrals.

Participants who fall under the Referral/Self-referral category will not serve a penalty (first offense only), however, they must complete all other requirements for reinstatement for a 1st-time offense. Failure to comply will result in the denial of privilege to participate. Any future code violations will be treated as a second violation of the code of conduct. Self-referral cannot be used to avoid consequences for an already documented violation. Violations of the Student Code of Conduct that result in suspension from school may also affect extra/co-curricular participation.

CONSEQUENCES OF INFRACTIONS TO THE CODE

First Offense:

- Suspension from participating in all co-curricular and extracurricular activities for 25% of regular season contests/events from date notified by the Student Activities Director or Building Administrator. In all events, the Student Activities Director or Building Administrator shall have the final authority to decide what sport, activity, or organization the consequences shall apply.
- The participant will not participate in the next contest/event after determining an infraction has occurred and will be removed from any leadership role (ie. officer, captain) for the remainder of the year or sport season.
- In order to be reinstated after the suspension, the student and the parent/guardian must have complied with the following:
 - student must complete a tobacco, drug, and/or alcohol assessment if the infraction involved tobacco, drugs, and/or alcohol. The assessment is at student/family expense. The student must follow any suggestions/recommendations made by the assessor.
 - The student must have completed one half of the ten (10) hours of community service (assigned by the building principal or their designee) prior to returning to competition. Community Service must be completed in its entirety within 30 days of the date notified by the Student Activities Director or Building Principal.
 - The student must agree to complete an educational class/counseling related to correcting behavior that caused the suspension. This must consist of three (3) one-hour sessions with a school-approved counselor. Failure to complete such classes or counseling within 90 days shall itself be considered a violation of this Code of Conduct.

Any number of suspended games, contests and/or events not fulfilled by the current season will be carried over into the next co/extra-curricular activity in which the student participates and successfully completes as defined by OHSAA official start and end dates. The student may not participate, travel, or be with the team/group in any games, contests, or events. Students will be permitted to practice at the coach's discretion. A coach/advisor may impose additional consequences on their participants who violate the Code of Conduct. Athletes will comply with OHSAA regulations on suspension. Failure to successfully complete the reinstatement requirements in their entirety will result in the student losing his/her eligibility to participate until those requirements are met.

Second Offense:

- Suspension from participating in all co-curricular and extracurricular activities for 50% of regular season contests/events from date notified by the Student Activities Director or Building Administrator. The Student Activities Director or Building Administrator shall have the final authority to decide what sport, activity, or organization the consequences shall apply.
- The participant will not participate in the next contest/event after determining an infraction has occurred and will be removed from any leadership role (ie. officer, captain) for the remainder of the year or sport season.
- In order to be reinstated after the suspension, the student and the parent/guardian must have complied with the following:
 - The student must have completed a tobacco, drug, and/or alcohol assessment if the infraction involved tobacco, drugs, and/or alcohol. Assessment is at student/family expense. The student must follow any suggestions/recommendation made by the assessor.
 - The student must complete one half of 20 hours of community service (assigned by the building principal or their designee) prior to returning to competition. Community Service must be completed in its entirety within 30 days of the date notified by the Student Activities Director or Building Administrator.
 - The student must attend weekly counseling sessions conducted by a Certified Chemical Dependency Counselor for a minimum of four weeks. Students must provide written documentation of attendance. Failure to attend sessions will result in the loss of the student's eligibility.

- Parents and student must attend a minimum of one family counseling session conducted by a Certified Chemical Dependency Counselor.
- The suspended student will not travel, or be with a team/group in any games, contests, or events (athletes will also follow the OHSAA regulations on suspensions).
- The student must provide monthly medically administered drug screens to the Student Activities Director/Building Administrator each month for two (2) months. Any positive results will be considered an additional Code violation. All costs incurred will be the responsibility of the parent/student.

For third, fourth and subsequent violations, please see the Extracurricular Code of Conduct posted on the district's web page.

Multiple Violations:

In the case of multiple violations, consequences will be imposed consecutively, not concurrently, i.e., the student cannot begin a second penalty until the first penalty has been completed.

FIELD TRIPS/ASSEMBLIES

Field trips and assemblies may be held with the aid of donated funding during the year. These may be professional or student-prepared presentations. Students are to use courteous group manners. Displaying positive reactions to the presenters is expected. Behavior during classes and at field trips/assemblies determines the individual student's privileges to attend future field trips/assemblies. If the student's permission slip to attend field trips/assemblies/movies is not returned on time, the student will not be permitted to participate in the activity. All students are expected to ride the bus to and from school. If a student goes to and/or leaves a field trip with the parent, the parent will sign their child out. No child will be permitted to leave from a field trip with an adult who is not their parent. No siblings are permitted to attend field trips. Students attending a Field Trip for a class in which they are not enrolled in will be counted as an unexcused absence.

FOOD AND DRINK

Food and drink are to be consumed only in the designated areas. No food or drink is to be taken into classrooms unless given permission for a special situation or with a doctor's note.

GREENE COUNTY AND CAREER CENTER

The GCCC is the vocational/technical school for students in Greene County. It is located at the intersection of State Route 68 and State Route 35 in Xenia, OH. Students attending GCCC from Bellbrook are BHS students and must meet BHS graduation requirements. Programs are available primarily for Juniors and Seniors; however, a few programs do permit Sophomores to enroll. For more information, check with BHS counselors.

HALL PASSES

Students are not permitted to be out in the hallways during class period times unless they have a hall pass.

HARASSMENT/BULLYING/CYBERBULLYING

Harassment, intimidation, or bullying toward a student for any reason, including their sexual orientation, gender identity, or membership in any other population or group whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal, and psychological abuse, and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the School District, including activities on school property, on a school bus, or while enroute to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

Definitions

Harassment, intimidation, or bullying means:

- A. any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s); or
- B. violence within a dating relationship.

"Electronic act" means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

Harassment, intimidation, or bullying also means cyberbullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

General

Any student or student's parent/guardian who believes s/he has been or is the victim of harassment, intimidation, or bullying should immediately report the situation to the principal, assistant principal, or the counselor/teacher. The student or student's parent/guardian may also report concerns to teachers and other school staff who will be responsible for notifying the principal or assistant principal. Complaints against the building principal should be submitted to the Superintendent. Complaints against the Superintendent should be submitted to the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be harassment, intimidation or bullying directed toward a student. Reports may be made to those identified above. All complaints about harassment, intimidation, or bullying shall be promptly investigated. If the investigation finds an instance of harassment, intimidation, and/or bullying has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include suspension or up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying, the principal or designee believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the principal or designee will report the act of harassment, intimidation or bullying to one of the Anti- Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 - Anti- Harassment.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of harassment, intimidation, or bullying is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as harassment, intimidation, or bullying. Retaliation may result in disciplinary action as indicated above.

Deliberately making false reports about harassment, intimidation, bullying for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been harassment, intimidation, or bullying, regardless of whether it fits a particular definition, s/he should report it and allow the Administration to determine the appropriate course of action.

The School District shall implement intervention strategies to protect a victim or other person from new or additional harassment, intimidation, or bullying and from retaliation following such a report.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

When the identity of the complainant is known, the complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the principal or designee shall notify the custodial parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the principal or designee shall notify the custodial parent/guardian of the perpetrator of that finding.

HEALTH SERVICES

The goal of school health service in Bellbrook-Sugarcreek Schools is to promote an understanding of positive health practices with the desired outcome of maintaining and improving the state of health in the school community. This goal will be accomplished through a program of providing minor emergency care, monitoring contagious diseases, identifying health needs through screening programs, enforcement of state rules and regulations regarding immunizations and providing current information about diseases, illnesses and health practices.

Health Clinic

A nurse is assigned to each building. The school nurse is available for consultations and handles any medical emergency that may occur during school hours. Please consult your school nurse should your child have medical/medication needs during the school day. The office staff and the nurse work closely together to manage all student medical needs. Students will be sent to the clinic for first aid and assessment of illness/injury by the nurse. After assessment of illness/injury, the student will return to class as soon as able. If they are unable to return to class, the parent/guardian will be notified by the nurse or a member of the office staff. The office staff assists the nurse if she is working in another building or completing necessary nursing tasks throughout the building.

Bellbrook-Sugarcreek Schools has partnered with SchoolCare for the documentation of health services. Parents can download an app and there is a parent opt-in option, where parents can see their student's visits to the clinic and case management services. SchoolCare will also help parents with access to care if needed. SchoolCare is FERPA and HIPAA Compliant.

All forms will be completed in FinalForms. It is imperative that parents provide current phone numbers throughout the school year in case of illness or emergency.

Communicable Diseases

Emphasis on perfect attendance frequently encourages students to be in school when potentially contagious to others. Please take into consideration the following conditions that may require a student to be excluded from school:

- Fever (elevated oral temperature of 100.4 degrees or above) – readmitted after temperature is normal for 24-hour period of time, without fever reducing medications (such as Tylenol or Advil).

- Upper respiratory symptoms with coughing, green/yellow nasal discharge, or body aches, may indicate the flu or an infection, especially if accompanied with a fever.
- Vomiting and diarrhea may also be signs of a communicable disease, especially with multiple episodes. Students should be excluded from school until symptom free for a 24-hour period.
- Conjunctivitis (pink eye) – readmitted after treatment for 24-hours with antibiotic eye medication and/or no evidence of discharge in the eye unless determined to be allergic conjunctivitis.
- Suspicious skin eruptions, intense itching, and/or rashes of undetermined origin.
- Head lice until initial treatment is completed and all live lice are removed from hair and/or by the discretion of the school nurse.

Please report your student’s specific contagious illness to the office personnel in order to monitor potential exposures within the classroom and to provide accurate information on reports to Greene County Combined Health District. Please let the school know of any changes in your student’s medical condition.

Health Screenings

In the interest of student health and in promoting positive health practices, the district shall conduct a program of health screenings as mandated by state law and recommended by local health care practitioners. The screenings shall be conducted during the school year as follows:

- Vision: School-aged children shall be screened at six grade levels–K, 1, 3, 5, 7 and 9. Students may be screened in additional grade levels as needed or requested.
- Color Deficiency (K boys only)
- Hearing: School-aged children shall be screened at seven grade levels–K, 1, 3, 5, 7, 9 and 11. Students may be screened in additional grade levels as needed or requested.
- Postural (Scoliosis or Kyphosis): Grades 6, 7 and 8.

Immunizations

Students enrolled in preschool through grade 12 are required to have written proof on file that they have been immunized. To be in compliance with current Ohio law, students in grades K-12 will need the following vaccinations:

- Diphtheria, Tetanus, Pertussis: Four (4) or more of DTaP or DT or any combination · Tdap: Grades 7-12 only – one (1) dose of Tdap vaccine booster
- Polio: Three (3) or more doses of Polio (IPV or OPV) or four (4) doses if combination of IPV and OPV received
- MMR: Two (2) doses of measles, Mumps and rubella (MMR)
- Hepatitis B: Three (3) doses of Hepatitis B (HBV)
- Varicella: Two (2) doses of Varicella vaccine for grades K-7 and one (1) dose required for students in grades 8-11.
- Meningococcal (MCV4): One (1) dose required for grades 7-8; two (2) doses of MCV4 for grade 12 unless 1st dose given on or after the 16th birthday

Students who are not in compliance are to be excluded from school attendance no later than the fifteenth school day after admission unless otherwise exempt. An immunization exemption form (linked) must be on file if a student is not fully immunized due to medical/religion/personal reasons. Exclusion from school may happen in the event of a communicable disease outbreak for those students who are not fully immunized.

Emergency Medical Authorization

The Board has established a policy that every student must have an Emergency Medical Authorization Form completed within the FinalForms account in order to participate in any activity off school grounds. This includes field trips, spectator

trips, athletic and other extracurricular activities, and co-curricular activities. If parents do not complete FinalForms, this may jeopardize a student's educational program.

Policy for Administering Medications

The policy concerning administering medication to students is a requirement of State law. Many students are able to attend school regularly only through effective use of medication in the treatment of disabilities or illnesses that will not hinder the health or welfare of others. If possible, all prescribed and non-prescribed medications are to be given by the parent at home. If it is necessary to dispense any medication during regularly scheduled school hours and/or school-sponsored activities, it will be done in accordance with the following procedures:

1. The appropriate person(s) appointed by the building principal will supervise the secure and proper storage and dispensing of medications. A prescribed drug must be received at the school office, in person, from the parent /guardian in the container in which it was dispensed by the licensed health professional.
2. Written permission must be received from the parent or guardian of the student, requesting that the school district comply with the licensed health professional's order. (parent/guardian should file Form: CO 0880-1 at the school office.)
3. The person(s) designated by the principal must receive and retain a statement complying with Ohio Revised Code and is signed by the licensed health professional who prescribes the drug. (Form: CO-0880-1)
4. If any of the information originally provided by the licensed health professional changes. A new form CO-0880-1 must be placed on file. Plus, a new one is to be filed for each school year.
5. No person who is authorized to dispense a prescribed drug and who has a copy of the most recent licensed health professional's statement would be liable in civil damages for administering or failure to administer the drug, unless he/she acted in a manner that would constitute "gross negligence or wanton or reckless misconduct."
6. No school person employed by the Board of Education will be required to administer a drug to a student except pursuant to requirements established under this policy. The Board of Education shall not require an employee to administer a drug to a student if the employee objects on the basis of religious convictions to administer the drug. (Legal References: O.R.C. Sections 3313.711, 3313.712, 3313.713, 4729.01)
7. Only in special circumstances as determined by the physician and parents, students may carry certain emergency medications such as an Epi-pen, rescue inhaler or Glucagon on their person. However, parents should also provide the school clinic a back-up in the event that the medication is misplaced, left at home or the student requires an additional dose. Form CO-0900, Authorization for Student Possession and Use of Medications, must be completed by physician and parent.
8. Cough drops are permitted. For safety reasons, please notify the classroom teacher and the school nurse if your child needs cough drops. Parent/guardian may provide your child with their own cough drops or non-mentholated/pectin lozenges are available in the health clinic.
9. The Board of Education recognizes that at times students may benefit from parent-recommended over-the-counter (OTC) medications for symptomatic treatment of minor illness, allergy or pain. Under this policy, administration of OTC medication(s) may be allowed, with parental consent only. Form: CO-0870 Authorization for Administration of Non-Prescription/Over-the-Counter (OTC) Medication must be completed and submitted by parent/guardian to administration of medication. The OTC medication form is available in FinalForms and can be updated at any time.

HOMEROOM

Students are not permitted to leave their homeroom classes unless they have a signed pass. This pass should be obtained from the teacher prior to the arrival to homeroom class. If the student does not have a pass, they will not be permitted to leave the homeroom unless it is to go to the restroom.

LOCKERS

The school assumes **no responsibility** for the loss of items kept in lockers. Lockers are the property of the school district. Lockers, and all contents, may be opened and inspected by school personnel at any time. Therefore, students should assume no expectation of privacy with regard to lockers. The student assigned to the locker is responsible for any item found in that locker. Locker doors should be kept shut and locked. Students are to use only the locker assigned to them by the school. Students are permitted to carry book bags.

LOST AND FOUND

Students who have lost items should check with the office or the Lost and Found area and may retrieve their items if they give a proper description. Unclaimed items will be given to charity at the close of the school year.

LUNCH

Lunch is available for purchase each day. Sodexo is our food service provider. Students are not permitted to purchase food if there is a negative balance in their food account. Payments can be made to the student's lunch account via the district website or by sending in money. Free/Reduced lunch request forms are available on the district website. Students are expected to eat at school in the areas designated. Students are not permitted to call in orders for food to be delivered. There shall be no carry-in lunches from restaurants (including delivery services and apps, etc.) Students are expected to remain in their assigned areas during lunch. They are not to remove items from the food counter without paying for them. Students are expected to clean up after themselves.

NATIONAL HONOR SOCIETY

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character. These characteristics have been associated with membership in the organization since its beginning in 1921. It is important to understand that chapter membership not only recognizes students for their past accomplishments, but challenges them to develop further through active involvement in school activities and community service.

Membership is awarded by a vote of a faculty council, appointed by the principal, representing the faculty as a whole. Membership is "an honor bestowed upon a select group of students by the faculty council ..." in accordance with the National Honor Society Constitution, and is not a right accorded the academically eligible student. Membership in the National Honor Society is an award from the Bellbrook High School faculty and, as any award, is a privilege and not a right of any student. You can find the NHS bylaws [here](#).

MESSAGES AND DELIVERIES

Messages and deliveries from home MUST be left in the school office. Students will be called out of class only in an emergency. Students will be permitted to use the school office telephone for emergencies only. This helps children to learn to plan ahead and keeps phones available for school business.

NCAA CLEARINGHOUSE

Many college athletic programs are regulated by the National Collegiate Athletic Association (NCAA). The NCAA establishes rules on eligibility, recruiting, and financial aid. The three membership divisions of the NCAA are: Division I, II, & III; based upon the size and scope of the athletic programs. Students planning to enroll in college and play athletics must make application to, and be certified by, the NCAA Initial Eligibility Clearinghouse. The Clearinghouse ensures consistent application of the NCAA requirements and eligibility which includes: high school graduation, college admission test scores, academic core course work, and grade point average based upon the core courses. Clearinghouse information may be obtained from the guidance counselors.

PUBLICATIONS (STUDENT)

All student publications require administrative approval prior to distribution.

REPORTING

A student can anonymously report concerns by writing a note and leaving it with a secretary, calling an administrator's voicemail or emailing an administrator. Information should be as specific as possible including time, area, and potential witnesses.

SAFETY/DISASTER DRILLS

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, they must notify a staff person immediately. Fire, tornado and disaster drills are conducted in accordance with state law. An evacuation plan is posted in each room. Students should become familiar with the plan and drill procedures. Students are expected to be orderly, move in a safe/timely manner, and cooperate with all instructions being given.

SCHOOL PICTURES

Individual student photos are taken by school photographer. Students and parents will be notified of the scheduled day for those photos to be taken. A make-up/retake date will be given as well. These photos will be available for purchase. Students and parents will be provided information to order school yearbooks.

SCHOOL RESOURCE OFFICER

A Sugarcreek Twp. Police Officer is on the premises of BHS daily. The officer gives classroom lectures, is a resource for legal issues, and provides additional security.

SECURITY MONITORS

In an effort to insure the safety and security of our campus we will use all available methods including cameras and video equipment. The purpose of this equipment is to assist the school in providing a safe and secure environment for its students, staff and general public. The school reserves the right to use recorded images in the investigation, and prosecution of violations of the BHS Code of Conduct and/or the Ohio Criminal Code.

SELLING/SOLICITATION

Students are not to sell candy, tickets, books, etc., during school hours and/or on school property without prior approval of the principal.

SENIOR SKIP DAY

There is no school sanctioned senior skip day.

STUDENT ACCIDENT INSURANCE

Accident insurance is offered to the parents of all students. Forms are sent home with the student and should be returned as soon as possible. Child enrollment is voluntary and at parent expense. The school merely acts as a resource in supplying the insurance and assumes no liability, either for the injury or the subsequent negotiations with the insurance company.

STUDENT FEES

The Board of Education has approved the fees for the school year. The fees are based upon the quoted costs of materials and instructional supplies at the time of approval and publication of the Student-Parent Handbook. Should it become necessary to increase/reduce any of the fees, announcements will be sent home with the student. An itemized list of materials is available upon request in the office. Student fees will be collected at the beginning of the year. Checks should be made payable to Bellbrook-Sugarcreek Schools or parents may use their credit card to pay in the school office or online via the website link. For more information, see the district website. Failure to pay fines, fees, or charges may result in the

withholding of grades and credits. School fees for academic purposes will be waived for students who qualify for the Free Lunch program. School fees are reduced by 50% for those students who qualify for the Reduced Lunch program.

TEXTBOOKS / CHROMEBOOKS

Textbooks and Chromebooks are school property. Students may be charged for any lost or damaged books/Chromebooks. Students are requested to cover all textbooks to reduce damage. Library fines are charged for books not returned to the library on time. If a student is having a problem with a Chromebook working properly, they should notify a teacher as soon as possible. Students should not attempt to repair damaged Chromebooks on their own due to potential warranty violations.

VISITORS

Parents are encouraged to make an appointment to see teachers, counselors, or administrators. All visitors must register at the Main Office immediately upon arrival. Student visitors are not permitted under normal circumstances. Requests must be made in advance to the building administration.

VOLUNTEERS

Parents and community members who volunteer to work with our staff or students, must have a Background Check that is on file with the school office. Details regarding the Background Check will be provided by each school. Volunteers must also sign in at the office and wear a badge while in the building.

STUDENT CODE OF CONDUCT

The administrators and staff of BHS expect reasonable behavior from students. School rules are designed to protect the educational process from disruption, to conduct school and activities in an orderly manner, and to ensure the safety and welfare of the students and staff. All school rules are in effect any time students are on school property, riding school buses, or in attendance at a school-related activity away from BHS. Disciplinary action, depending on the severity of the infraction may be a warning, parent notification, community service, detention, Saturday school, in-school studies, out-of-school suspension, and/or expulsion. It is the decision of the school administration after weighing the circumstances, as to which measures are taken. In some instances, the school may provide referrals to law enforcement authorities. An “emergency removal” of a student may be deemed necessary. All suspendable offenses as stated in O.R.C. 3313.66 are covered in this discipline policy. If a situation occurs that is not covered in this Student/Parent Handbook, BHS administrators will take appropriate commensurate action.

SEARCHES

Administrative officials reserve the right to search the lockers, desks, automobiles and personal belongings of a student on school grounds or at any school activity when reasonable suspicion exists for the maintenance of order, discipline and safety and in the supervision and education of students. Be advised that lockers, desks, automobiles and personal belongings are subject to search for contraband, harmful or dangerous substances. Administrators are permitted to conduct a random search of any student's locker and its contents at any time, providing proper notice has been posted in the locker areas of each building.

Administrators are authorized to arrange for the use of a breath-test instrument for the purpose of determining if a student has consumed an alcoholic beverage.

The Board also authorizes the use of canines, trained in detecting the presence of drugs or devices, when the Superintendent has reasonable suspicion that illegal drugs or devices may be present in a school. This means of detection shall be used only to determine the presence of drugs in locker areas and other places on school property where such substances could be concealed. Canine detection must be conducted in collaboration with law enforcement authorities and is not to be used to search individual students unless a warrant has been obtained prior to the search.

DETENTIONS

After-school detention will be assigned through the assistant principal and will run from 3:15-4:15 p.m. on Tuesdays and Thursdays. Students are expected to collect assignments from teachers prior to the assigned session. After-school detention will be supervised and all students are to follow the rules and regulations provided. Failure to do so can lead to dismissal from the after-school detention session and further disciplinary action. Detentions will be served on Tuesday and Thursday only. A detention can only be rescheduled at the request of a parent in writing or by contacting the assistant principal's office (937-848-3737) prior to the start of the following school day. A student will not be excused from detention to participate in athletic events or extra-curricular activities. There are no appeals of detentions. Failure to attend and serve in full after-school detention will result in further disciplinary action, such as additional detention, assignment to in-school studies, out-of-school suspension, and/or referral to juvenile court.

Detentions will be accumulated on a semester basis. Continued misbehavior may result in a carryover to the following semester.

- 1st to 4th detentions after-school detentions

- 7th detention 2 days In-School Studies or Sat. School 8th detention 1 day out-of-school suspension

Students will be responsible for having an ample amount of assignments to complete or other work when assigned to In-School Studies. Schoolwork completed during assignment to In-School Studies will be credited to the student. There are no appeals of In-School Studies.

SATURDAY SCHOOL

Students may be assigned to Saturday School at the discretion of administration in lieu of suspension. Students assigned to Saturday School must bring school assignments or school related reading material. Failure to do so may result in the student being removed from Saturday School with additional discipline being assigned. Saturday School will be held 8-11 a.m. in the BHS cafeteria.

OUT-OF-SCHOOL SUSPENSIONS

If a student receives an out-of-school suspension, the student is prohibited from any and all extra-curricular activities and is not to be found on the school district property for the duration of the out-of-school suspension. Credit will be given for work missed due to out-of-school suspension provided the student completes and submits all required assignments within 3 school days upon return to school. It is the student's responsibility to request assignments from teachers.

PERMANENT EXCLUSION OF NON-DISABLED STUDENTS

Permanent Exclusion shall mean the student is banned forever from attending a public school in the State of Ohio. As authorized by law, the Board of Education may permanently exclude any student who has been found guilty of committing, when sixteen years of age or older, any of the following offenses while on school grounds and which are considered to be crimes when committed by an adult:

It should be noted that the policy extends to any vehicle parked on school grounds. If suspicion exists about vehicles parked in other location the police may be called to do a search. "Possession" includes and applies to the student's personal belongings, locker, automobile and the guidelines for a search apply. In addition, there is a "Drug Free" zone that extends 1,000 feet beyond the school boundaries as well as to any school activity and transportation.

Students considered to be "under the influence" will be confronted with the indicators, and if there are no apparent reasons for this condition the student may be suspended and the police will be notified.

Violation of this policy may result in a 10-day suspension and/or a recommendation for expulsion. If suspended, a student will be referred to the Student Activities Director. The Student Activities Director will provide the student and parents with chemical dependency programs for appropriate assessment. If the student completes the program's recommended treatment, the number of days of suspension may be reduced on a first offense. The student is to check in with the Student Activities Director after returning to school from the suspension. If the recommended treatment is not followed, the entire suspension will be reinstated. Students suspended or expelled for the use or possession of alcohol or drugs of abuse may be subject to denial, suspension and/or revocation of driving privileges by section 3321.13 of the ORC.
