#### BUS SCHEDULES

The bus schedules are due to be loaded into your FinalForms “Transportation Information” section on Aug. 11. We will send an email when this information becomes available. If you have questions after this information is available, please contact the transportation office at [transport@bss.k12.oh.us](mailto:transport@bss.k12.oh.us) or 937-848-4029. The early part of the year will be affected by bridge work in downtown Bellbrook. We ask for your patience as we continue to find the safest and best way around the work being done. Please keep in mind, just as in years past, busing is a fluid situation that will change almost daily, especially during the first few weeks of the school year. Please be at the bus stop at least 10 minutes early each morning and check FinalForms each night in case there are updates to stop times and routes.

#### COMMUNICATIONS LEVELING UP

We have a podcast, the website has been reorganized and revamped, and The Bridge should be hitting your mailboxes soon. [Read all about it here.](#)

#### **BACK-TO-SCHOOL FORMS**

FinalForms needs to be completed online for school demographic and emergency contact information and to request transportation for eligible students. All of your student's information has already been pulled over to FinalForms from the previous school year, but you **MUST** log in and confirm your information and/or make any changes. It is *especially important* for us to have correct phone numbers, email addresses and emergency contact information for each parent/guardian, so please ensure these fields are completed for each student's forms. Not including a parent email or phone number will limit the communications you receive from the district and we want you to stay informed. Please keep in mind we cannot release your child from school to anyone who is not authorized in FinalForms.

All students must have their 2023-24 FinalForms information completed no later than Sunday, August 20. Click on <https://sugarcreek-oh.finalforms.com> to log in and complete this information ASAP. For questions about FinalForms, contact [finalforms@bss.k12.oh.us](mailto:finalforms@bss.k12.oh.us)

Also, if you qualify, please fill out our Free and Reduced Lunch form. This is an essential form and helps us recoup money for lunches that students need.
