

## **Bellbrook Junior Golf Program 2025**

**Any rising 5th-8th (Classes of 2030-2033) Graders interested in golf in the summer/fall of 2025 please contact Jeff Scohy (937-475-3082, [scodogg23@gmail.com](mailto:scodogg23@gmail.com)) as soon as possible.**

- Season runs August 1st through early October but we will hold a one hour weekly practices starting in early June on Monday and Wednesday nights from 430-530 at the Bellbrook Golf Park
- Two practices per week for 1 hour at the Bellbrook Golf Park driving range
- One nine hole match or one nine hole practice session per week
- Cost is pay as you go - \$5 for a bucket of balls at practice and usually less than \$15 per nine holes of play depending on the course
- 10-14 matches where 6-8 players will play the match and usually everyone else will still get to play behind the match if desired
- All practices and matches are voluntary so you do not need to be at everything - we are just trying to get kids into the game so come and go as you please
- This program is not an official school sport so there is no physical, pay to play fee, etc.
- Players must provide their own equipment although help can be provided on a case by case basis
- Practices and matches will either be run by Jeff Scohy (Bellbrook Varsity Golf Coach) or one of the voluntary parents/assistants (Justin and Liza Deters, Jake Fryman and others)

**Please Contact Coach Scohy (937-475-3082, [scodogg23@gmail.com](mailto:scodogg23@gmail.com)) with any questions at all!**
