

## Boys & Girls K-2 Lacrosse

Hello Stephen Bell parents! Bellbrook Lacrosse is seeking boys & girls who are in kindergarten, 1st Grade or 2<sup>nd</sup> Grade who might be interested in trying a new sport!

Bellbrook youth lacrosse has experienced tremendous growth and success over the past 5 years. The number of students taking up the sport has skyrocketed, and we have become very competitive with the big Lacrosse schools in the area. Lacrosse is a fast-paced fun sport that combines football, hockey, soccer, and little pieces from a lot of different sports.

**Over the next 2 moths we will be teaching some lacrosse skills and playing fun lacrosse games with your children in gym class alongside Mrs. Tincher. We will be playing games like red light green light, hungry... hungry hippos and relay races among several others all in a lacrosse style format in an effort to have them enjoy learning the game of Lacrosse all while teaching some very basic skills. We are so very excited for the opportunity to come to gym class for the first time to teach your children the sport!**

To sign up please go to: [www.bellbrooklacrosse.com](http://www.bellbrooklacrosse.com) ***on or after December 1<sup>st</sup>***. Registration will close approximately 1 month after opening around January 1<sup>st</sup>.

If you have any questions please call, text or email: Nathan Burchfield- President Bellbrook Youth Lacrosse Club @ 937-416-3321 or email [nburchfield@merchantssecurity.com](mailto:nburchfield@merchantssecurity.com)
