

Dear Parent or Guardian:

In preparing for the current school year, you will find a contract for Payment in Lieu of Transportation. This is for any student we can not provide transportation including mid-day kindergarten students that are offered transportation am and pm for ½ payment.

Bellbrook-Sugarcreek Schools offer Payment in Lieu of at a rate set by the Ohio Department of Education. We do not know this rate until spring of each year.

If you wish to apply for reimbursement monies, complete and submit the on-line form. The deadline is September 1st. Please do not be late, as this must be submitted by us to the state and their deadline. Please use one form for each student.

Checks will be sent in June of each year after verification from school, the attended days of each student.

If you have any questions, please call the Transportation Department.

Thank you,

Beverly Wetzel
Transportation Coordinator
