**PARKING PERMITS**

Applications must be signed by the student and parent. The permit can be used only by the student to whom it is issued. Students will only be issued one (1) permit for the school year. If the parking permit is lost or stolen, students will be required to purchase another permit (\$5). Permits are not transferable to other students. Parking permits must be displayed prominently and must be visible through the front windshield of the vehicle. Permits may be revoked if not properly displayed. Parking permits are \$50 per year for all locations. Payment must be received before permit will be issued. There is no other student parking available or allowed on school property.

**PARKING/DRIVING REGULATIONS**

Driving to Bellbrook High School is a privilege which can be denied if proper responsibility is not assumed by the driver.

1. Student parking is by permit only. Parking spaces will be assigned. Students are expected to park within designated lines of parking spaces. Do not occupy more than one space. **Students are not permitted to drive behind the school building at any time.** Violations of this rule may result in the loss of parking permit and additional discipline.
2. Vehicles must be parked and locked upon arrival to school.
3. Students are not permitted to loiter in cars, or parking lot, before, during, or after school.
4. Students are not permitted to return to their cars during the day unless they have permission from the office. **BHS is a closed campus. Students are not permitted to leave school for lunch at any time.**
5. Students should not leave anything valuable in their cars. The school is not responsible for the theft of or damage to personal property in the parking lot.
6. Students are expected to drive safely and courteously and follow all state and local driving regulations. Cars should not exceed 10 mph in parking lot. Students must wear seatbelts when operating a vehicle or riding as a passenger. The student issued the permit is responsible for the safety and conduct of his/her passengers. Unsafe operation of a vehicle WILL result in the loss of parking permit.
7. Students may not have in any vehicle parked on school property any alcohol, drugs, tobacco products, weapons, knives, or other items which students are prohibited from having on school property.
8. Vehicles are subject to search by school officials at any time.

I have read and agree to abide by the rules/guidelines for a Bellbrook High School Student Parking Permit. I understand that students who do not comply with driving/parking regulations will be subject to disciplinary action, including, but not limited to, revocation of their parking permit, and may have their vehicle immobilized (booted) or towed at owner's expense. Permits may be revoked if the car is used to violate school rules(i.e. leaving school property during the school day), or if the student is excessively tardy and/or absent, or for Out of School Suspensions. No warnings will be issued. Driving to school is a privilege. There is no appeal if your permit is suspended or revoked
