

Please join us online for a session on...

Positive Parenting

The Social and Emotional Development Team at the Greene County ESC will facilitate virtual meetings to empower parents of children ages 0-10, through positive supportive networking. Each month new information will be presented to encourage us to reflect on communication with our children without blame or shame, but through the use of humor, support, and resource sharing. We will create a space for honest conversations about the challenges of raising children to help avoid burnout and build stronger relationships.

Tuesday, March 7th - 8:00pm-8:30pm

Wednesday, March 8th - 1:00pm-1:30pm

Tuesday, March 21st - 8:00pm-8:30pm

Wednesday, March 22nd - 1:00pm-1:30pm

***Attend any of these sessions. The topic changes each month, but for all of these sessions, will stay the same, centering around social and emotional skills in childhood. Questions from parents always guide our discussion. Feel free to just listen in or participate!**
