

Transportation Permission Form

Bellbrook High School Instrumental Music Program

2014-2015

The high school instrumental music program travels to many destinations throughout the school year during summer months. It is our intention to limit the amount of paperwork and permission forms to a bare minimum this season. In order to do this, we have a standard form below to fill out to cover all school-sponsored events for the program.

Dear Parent or Guardian:

Often it becomes necessary for a pupil to be away from school for an educational activity. As a parent or guardian, I give permission for my son/daughter

_____ to go on **Bellbrook Band Trips** on school year **2014-2015**. I will not hold any school official, bus or car driver responsible for any injury which occurs on this trip. We understand that it is the student's responsibility to make up any class work missed due to this trip.
